Current Buyer Brief Folio

Generated from the current buyer.md brief. Domain live search pages blocked the fresh pull, so this folio ranks the latest stored Domain inventory against today's brief and flags freshness caveats.

OBJECTIVE Buy – Owner-Occupier, Capital Growth Priority

BUDGET Buy to \$1,100,000

BEDROOMS 1-2+

BATHROOMS 1+

REGION Within ~20 minutes' drive of the Sydney CBD. Open across the inner-south (currently live in Zetland and like it), the eastern suburbs, the lower north shore, and the inner-west as far out as Marrickville. Not interested in the outer/greater western suburbs.

What I'm actually looking for

The system attempted a clean scratch run across Zetland, Bondi Junction, Randwick, Crows Nest, North Sydney and Marrickville, plus sold comparables. Domain returned block/challenge pages for every live search. The shortlist below uses the latest stored Domain data already in the local database, scored with the current buyer.md brief and the latest decision engine.

Score 3.9/10 on the current buyer brief. Pricing reads unknown; main check: No floorplan found

Why it fits the brief

This matches the hard brief on suburb, apartment type, 2 bedroom(s), parking and the \$1.1M ceiling. The owner-occupier lens favours liveability and capital-growth fundamentals: inner-ring location, transport access, scarcity/amenity and resale liquidity. Stored feature signals: Stored Domain detail is thin; inspect layout, light, air-conditioning and strata closely.

- ✓ Randwick location within the selected buyer map
- ✓ 2 bed / 2 bath / 1 car
- ✓ Guide: For Sale \$1,000,000 - \$1,100,000
